

## Nancy Ann Clearinghouse Index

10/08/04

### How to use this index:

a number in bold print refers to the Nancy Ann factory stock number. In a listing, the first number refers to the Clearinghouse issue number and the number after the dash refers to the page number.

### Example:

#### **Cinderella 155**

122-2+

155 refers to the factory number Nancy Ann Abbot assigned to Cinderella dolls

122 refers to Volume 122 of the Clearinghouse.

2 refers to page 2 of Volume #122.

The + means there is more than one page of information available in Volume #122 and the information starts on page 2.

### Advertising
